This collection of more than two hundred tales of people and fairies from around the world is the only edition that covers all cultures. Organized geographically by the region - west and east of Europe, British Islands, Scandinavia and North Europe, Middle East, Asia, Pacific, Africa, North America, Caribbean and West Indies and Central and South America € " and selected with affection from The personal favorites of folklorists and writers, this book is a great anthology in its field. Together in this wide collection, they are familiar classics like "Sos-White" and "Sleeping Beauty, à€" and stories and stories This is the same as all major cultures. Together they offer magic, adventure, laughs, reflections, vivid images and a multitude of colorful characters. More importantly, they offer information about the oral traditions of different cultures and deal with universal human dilemmas that cover age, culture and geography differences. Animals, proverbs, ghost stories, funny stories and enchanting tales provide a unique reading experience for all ages. A category index groups the tales by plot and character, for example, humorous stories, supernatural and "pourquoi accounts" , couples, enchanted boyfriends, etc. Like all the great literature, these tales can be read with fascination at many levels, making the world's most beloved folk tales a classic and lasting collection.
